## Here's what's happening this week:

A more complete list of events and happenings is in our weekly email newsletter. If you would like to receive this newsletter, please complete the connect card, make sure you check the weekly email box, and drop it in the offering or give it to one of the ushers.

**We are a community full of seekers, believers, dreamers, doubters, leaders, and followers. In short, what we are all about is helping people pursue a life-changing relationship with God. That mission is the driving force behind everything we do and everything we dream about. From the beginning, we've understood that we can't make anybody do or believe anything. So, what we strive to do is create relevant environments where people can best take next steps in their journey with God regardless of where they are now.**

**Our Sunday gatherings are designed to present biblical truths in a relevant environment. We hope that what you hear and what you experience is helpful in the journey you're pursuing. If you have any questions about what it means to follow God or would like someone to pray with, pastors and leaders will be available up front after the service.**

### Kenya 2008 - Today!

Would you like to go and serve in Kenya at the Cheppema Hope Center? This is one of the orphanages that Crosspointe supports through our Drive commitment, and we're assembling a team from Crosspointe to serve there this fall. Details about what we'll be doing and when we are going will be announced at the informational meeting today at 1:00pm in the Startingpointe room. If you have questions contact Rick Smith at rsmith@crosspointe.org.

### Startingpointe

Startingpointe is a 6-week introduction to some basic ideas about the Christian faith, provided in an environment that allows you to discuss these ideas openly. At Startingpointe, we will cover topics such as the origins of the Bible and its context, creation, Jesus, eternity and more. We know we can't answer it all - let alone in 6 weeks. Rather than trying to end the discussion, Startingpointe sets us on a lifetime path to explore the amazing, mysterious realities of faith in God. We hope you can begin at Startingpointe, upstairs each Sunday from April 6th through May 11th, at 10:15am. Sign-up in the Information Center, space is limited.

### You Don't Want to Miss This!

The Robbie Seay Band will be here on Sunday, April 13th. They'll be leading worship in all 3 services that morning and then will do a concert Sunday evening at 7pm. Tickets are \$10 each, and will **go on sale TODAY!** You can purchase your tickets in the Information Center after services every Sunday until and including April 13th, or you can stop by the church office Monday through Friday, 9:30am-3:30pm and purchase your tickets from Mara.
